

**HERE'S WHY FUZZY DOGS PRODUCTIONS AND ENTOURAGE MANAGEMENT ARE THE ONLY CHOICE FOR INTEGRATED, TARGETED, MULTIMEDIA CONTENT PRODUCTION.**

**THE BULLET POINT SPECIAL.**

**GO.**

1. The only firm featuring the patented [“Virtual Master Control”](#) for content production ranging from live video/audio broadcast to commercial and podcasts. We specialize in producing your video, audio, podcast, commercial, in-house, industrial and meeting content.
2. The only production firm offering the [“Virtual Master Control” for integration and production of every meeting that uses ZOOM, MStTeams, ON24, or any other popular platform.](#) Our VMC turns your meeting into a media rich, completely “hands off” produced experience allowing you to focus all your attention on the meeting and your topic. It then turns your meeting into timely or evergreen media content programming that will pay dividends for months or years to come.
3. Currently producing exclusive programs including, [“The Man in the Arena”](#) with formats that can be modified to fit the needs of every client seeking social & broadcast media content.
4. A company with more than 80 years combined human experience actually working in the legitimate press, with first hand knowledge of what social and broadcast media platforms want to be pitched on, how they want to be approached, and how to tell a client story that will garner the most attention. These are content production and syndication experts.
5. A database of personal contacts in every form of media. We know how and where to place your message, while at the same time protecting your brand and reputation from social media panderers and the con artists.
6. [More than 25 years of experience promoting and managing](#) the public/media relations for C-Level executives, legal, medical, sports, non-profits, think tanks, embassies and Ambassadors, national news figures, analysts, authors and many more.
7. The only firm with [a national network of “on the ground” production specialists.](#) providing production crews when needed along with expertise in designing and managing virtual home and office studios for every client.
8. The only firm with the in-house capability of managing every level of public and media relations, sales, advertising buys and schedules, integrating virtual social and broadcast media content of every form in support of a complete PR and marketing plan within budget guaranteeing a solid ROI.
9. The only firm that will not only manage individuals on a personal level, get them booked on shows and platforms across North America, but also produce their promotional media content, everything from video, audio, speeches, books, educational series and more.
10. A [CEO who has been nominated for, and won multiple Emmy Awards](#) while being in the “C” Level management of 7 broadcast networks, and [a pioneer in the integration of social media content](#) into powerful PR, marketing and advertising.
